FOUR CAIRN 2015 GRENACHE SONOMA COAST

Four Cairn Vineyard is located on a 5 acre parcel that sits on the valley floor at the foot of Spring Mountain in the St. Helena Appellation. Our soil is predominantly gravelly Loam and Sand. The Mitchell family has grown grapes on this site continuously for over 35 years.

Grenache is the most widely planted grape in the southern Rhône Valley, and said to be the second most widely planted varietal in the world. It is most often blended (with Syrah and Mourvèdre in France and Australia, and with Tempranillo in Rioja), but reaches its peak in the wines of Châteauneuf-du-Pape, where it comprises 70% of the appellation's acreage.

TASTING NOTES: The 2015 Grenache possesses bright aromatics of raspberries, strawberries and fresh flowers. For this vintage the wine is more concentrated than in previous years' due to the lower yields and small berries. On the palate this is a juicy, vibrant wine giving a mix of bright fruit with great structure for balance. Flavors of cherries, raspberries, strawberries, very subtle oak and brown spices mix with nicely balanced acidity. Soft, elegant tannins are present to give great volume to the palate and length to the finish.
