LIQUID FARM 2016 PINOT NOIR SANTA BARBARA COUNTY

Often said, but very true, all great wine starts in the vineyard. Our project's name reflects our strong belief in that philosophy. It is truly all about place in combination with the highest quality fruit and letting the varietal and regional typicity of the wine shine through from vineyard to glass...Liquid from Farming.

We allow the wines to develop on their own with little intervention, minimal or no new oak and use no additives or machines to manipulate the wines inherent personality. The project is also committed to blending from the handful of special vineyards we work with in the small AVA of Sta. Rita Hills to produce a collection of Chardonnays that are markedly different expressions, but with the same thread of intense minerality and salinity they started with in the vineyard.

TASTING NOTES: Utilizing fruit from both the Sta. Rita Hills and Santa Maria Valley, this is a very friendly and expressive Pinot Noir. Notes of red raspberry, Bing cherry, sandalwood, leather, fresh tobacco, earth, and baking spices. 10% whole cluster, 10% new French oak. Aged 15 months. 54% Solomon Hills, 23% Bien Nacido, 23% Spear.

Production: 350 cases

TENDRIL WINE CELLARS 2014 "EXTROVERT" PINOT NOIR WILLAMETTE VALLEY, OREGON

After more than 20 years making wine exclusively for others, winemaker Tony Rynders launched a label of his own. As the name implies, it's all about the vineyards. Sourcing Pinot Noir grapes from select vineyards in the Willamette Valley, our wines display the rare combination of both power and elegance. While quality is at the uncompromising high level one would expect, quantity is limited to around 500 cases per year and to Pinot Noir only. There's hardly a great grower in Oregon who would not be happy to provide Tony with whatever fruit he desires, and the best possible fruit attainable he does indeed get.

As head winemaker at Domaine Serene for 10 years, Tony collected more 90+ scores from Wine Spectator than any other winemaker over the same ten years. In the same period The Wine Advocate named Domaine Serene one of Oregon's two "Outstanding" producers while Wine & Spirits awarded Winery of the Year for five consecutive years.

TASTING NOTES: Vibrant aromas of fresh big cherry, raspberry, clove, vanilla bean, roasted coffee and cocoa. The palate is round and juicy, with flavors of pie cherry, marionberry, wild plum, slight leather and supple tannins.

Production: 378 cases
