NICORA WINES **2014 SYRAH** **SLIDE HILL VINEYARD** **EDNA VALLEY**

Nicora is the blend of two names. The first, Nick, and the second, Ora, Nick's great-grandfather. Many years ago, Nick's great-grandfather, built a business, starting with little more than passion, a dream, and an entrepreneurial spirit. His achievements have been the inspiration behind Nicora. Nicora Winery has been built from the ground up as well. It began in the cellar, where Nick learned from mentors such as Scott Hawley (of Torrin), Eric Jensen (of Booker), and Bob Tillman (of Alta Colina). Nick's dream was to hand-craft wines that would be both a personal expression and a reflection of the unique vineyards of Paso Robles. Nick hopes to not only provide Nicora customers with unique and exceptional wines, but also to give them opportunities to experience the excitement and joy that they experience in wine and winemaking.

TASTING NOTES: Located in the cooler climate of Edna Valley in San Luis Obispo county, Slide Hill Vineyard is uniquely planted in a special micro-climate that is ideal for Syrah. Showing great mineral notes of limestone and clay, this wine has a pleasant streak of acidity which helps keep the wine fresh tasting. Elegance and balance always seems to be present in these cooler climate wines along with a silky finish. Notes of blueberry, red raspberry, and a touch of espresso all playing well together in the glass. This wine should age well for the next 5-7 years.

ANDREW LANE WINES **2015 CABERNET SAUVIGNON** **LAKE COUNTY, CALIFORNIA**

Andrew Lane Wines is a small, family-owned winery, named after the owner and winemaker David Dickson's two sons (Andrew and Lane). Born into family winemaking tradition, Andrew and Lane Dickson began working the harvest as young boys in the Napa Valley. Filling the old basket press, surrounded by friends and family, each vintage a storybook of childhood memories.

From the beginning, Andrew Lane has specialized in a decidedly New World style, meaning the wines are made in a fruit forward style and are approachable in their youth.
