TASTING NOTES: A classic rendering of Russian River Valley pinot noir, this wine offers a dark cherry hue and aromas of black cherry and bright strawberry. Rich, dark fruits dominate the palate, with accents of red fruit and complex undertones of white pepper and nutmeg. The fine-grained tannins and fresh acidity add layers and tension, accentuating the flavors and velvet-like mouthfeel for an elegant finish.

Clonal Selection: Calera, Beba, Mt. Eden, Swan, 115, 667, 777, 828, POM

RED CAR 2014 PINOT NOIR SONOMA COAST

Red Car was founded by Carroll Kemp and Mark Estrin in 2000 with 50 cases of Syrah from a single ton of grapes. Besides an enthusiasm for wine, they also shared a Hollywood background – Carroll as producer, Mark as screenwriter. Their intent was simple: source great grapes, make great wine and market it in an inventive, original way.

The winery name is a tribute to the electric trolley cars that ran throughout Los Angeles from the late 19th century through the early 1960's. These "red cars" provided transportation in a romanticized time and place. We strive to make wines that are similarly memorable and transportive.

TASTING NOTES: The 2014 Pinot Noir is a terrific wine, which is quite amazing, considering it is a blend of press lots of the other wines in the range. Bold, juicy and exuberant, yet very much medium in body, the 2014 captures all the hallmarks of the Red Car style. Lavender, violet, rose petal and a host of exotic notes grace the super-expressive finish.
