BETZ FAMILY WINERY **2015 'BÉSOLEIL' RED WINE** **COLUMBIA VALLEY, WASHINGTON**

Since our first vintage in 1997 we've had a single minded goal of crafting compelling wines with individual character that are approachable and ageworthy, and which showcase Washington as a distinguished wine region of the world. By carving out specific vineyard blocks and being meticulous in the vineyard and cellar we are able to achieve the quality we aspire to.

2015 marks the second vintage in a row that Cinsault, Cunoise, and Mourvèdre have all played a larger than usual role in Besoleil. The quality of these "southern Rhone" grapes has been rising as growers and winemakers learn how to handle them.

TASTING NOTES: This years Bésoleil reflects a wide range of sites in the Yakima Valley. Upland and Olsen vineyards both supply Grenache grapes for this blend. The character of Upland Grenache is fleshly with a soft texture. Here the fruit is delicate, offering cherry and raspberry flavors. Olsen vineyard Grenache is denser, with darker fruits and more spice. Olsen Grenache imparts all important tannic structure, providing "tension" to the blend. Cinsault, Mourvedre, and Cunoise are all farmed at Olsen Vineyard. Cinsault contributes a velvety texture, with bright Raspberry fruit and floral notes. Cunoise provides aromatic complexity including white and black pepper, fresh herbs, and lilac blossom. Mourvèdre brings stucture, combing in the perfume of blackberry blossoms with the herbal tones the grape is known for.

Composition: 32% Grenache, 22% Mourvèdre, 21% Syrah, 20% Cinsault, 5% Cunoise
