GHOST BLOCK 2015 ESTATE CABERNET SAUVIGNON OAKVILLE, NAPA VALLEY

Nestled on a gently sloping knoll, Ghost Block vineyard is named in honor of Napa's pioneer winemakers who rest in a tiny 150 year old cemetery on the north edge of Yountville - the epicenter of Napa Valley. Graced with perfect drainage and sunny exposure, Ghost Block Vineyard is a jewel, an heirloom, passed down through a single family for over 100 years. Coveted by celebrity winemakers, the fruit from this and nearby vineyards has been the cornerstone of many of Napa's "Cult Wines".

Ghost Block specializes in Cabernets from Yountville and Oakville, all of our vineyards are family owned and organically certified. Production is very limited, always based on our very best fruit.

TASTING NOTES: Intense, overt aromas of dark cherry & blackberries explode out of the glass. This wine is an elegant & balanced Oakville Cabernet on the palate with enticing flavors of deep red fruits and great structure & body; lengthened by the integrated oak notes of vanilla. These silky tannins make this wine very approachable with a long lasting finish and ready to drink upon release but bound for many cellars.

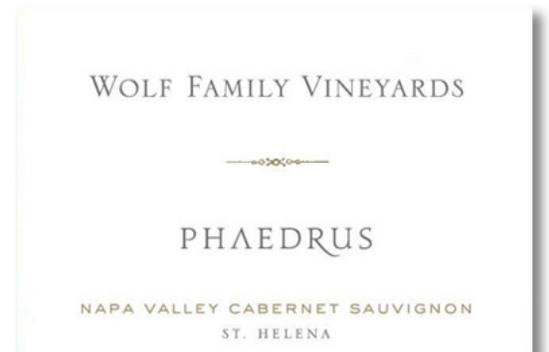

Composition: 88% Cabernet Sauvignon, 6% Malbec, 6% Petit Verdot

Production: 3,425 cases

Regular Price: \$67.99 CLUB CRUSH PRICE: \$61.19

WOLF FAMILY VINEYARDS 2014 'PHAEDRUS' CABERNET SAUVIGNON ST. HELENA, NAPA VALLEY

The Wolf Family Vineyards Estate is located on the valley floor in the heart of the St. Helena AVA. The estate consists of nearly 5 acres of Cabernet Sauvignon and just under an acre of Sauvignon Blanc both of which take advantage of the unique soils and sun exposure that occur at the organically farmed estate. Winemaker Mike Hirby works closely with the well regarded Napa Valley vineyard management team Oak Knoll Farming to oversee all vineyard operations.

Wolf Family Vineyards has remained small and family-owned throughout, never making more than 1000 cases per year, yet still earning high praise for the integrity of its wine. To this day, the winery is grounded in respect for the land, love for family and friends, and the simple pleasure of drinking good wine.

TASTING NOTES: A blend of two excellent vineyards, the new Wolf Family Estate on White Lane in St Helena offers beautiful structured tannins as well as blackberry, stone fruits, tobacco and a rich but balanced texture. The second vineyard, Montgomery Vineyard in Calistoga gives the wine more of the delicious dark fruit aroma, while the palate is full bodied and with a perfectly balanced acid-tannin profile.

Composition: 100% Cabernet Sauvignon

Production: 325 cases
