## CASINO MINE RANCH 2016 VERMENTINO SHENANDOAH VALLEY, AMADOR

Casino Mine Ranch is an estate vineyard located in the Sierra foothills of Amador County. The winery, a century-old ranch that was once mined for gold, is owned and managed by fourth-generation California brothers, Jim and Rich Merryman. The vineyard is planted and farmed to best harness the potential of the site, through thoughtfully selected grape varietals. In keeping with the family's pioneering spirit, the Merryman's partnered with the highly acclaimed winemaking team of Andy Erickson and Jessica Tarpy who share a passion for great wines from special sites. Together with their commitment to hard work, connection to the land, and passion to produce the best wine possible they are.

**TASTING NOTES:** Our Vermentino, the Californian translation of the esoteric, lean, Italian varietal originally hailing from coastal Tuscany and Sardinia, is whole-cluster pressed, fermented in stainless steel and aged sur lie for seven months. The resulting wine is of a pale lemon hue, with notes of a crisp Anjou pear, grapefruit pith, and young pineapple. The palate is replete with a bracing acidity and fresh citrus notes of lemon overture (pulp & zest), honeydew melon, and guava.

Composition: 100% Vermentino

Production: 475 cases

## MCPRICE MYERS 2017 BEAUTIFUL EARTH WHITE WILLOW CREEK DISTRICT, PASO ROBLES

McPrice Myers Wine Company produces Rhone wines from Paso Robles and Santa Barbara County. The focus is on small production from some of the best vineyards on the Central Coast.

Mac became a complete food and wine geek in his early twenties. This led him to frequent sojourns to the Central Coast, where he became a quick study of the burgeoning wine scene. Mac's first vintage was 2002. His enthusiasm for the local vineyards in Paso Robles and Santa Barbara County was matched only by the lure of the Rhone Valley. Mac's own wines received overnight praise from the wine press-at-large. With a keen eye on the future of California vineyards and a respectful nod to the Old World, Mac continues to impress as one of the most progressive and even-handed winemakers on the Central Coast.
